

Never Again: A History of the Holocaust

Session 1	Life in the Ghetto
Session 2	Art of the Holocaust
Session 3	Children of the Holocaust
Session 4	Resistance and Righteous Persons

Each session will consist of a PowerPoint presentation on the subject matter, a variety of learning centers with primary sources and artifacts of the period. The teachers will participate in several small group activities resulting in a variety of outcomes and strategies useful for classroom learning.

The educators will be exposed to visual media and have an opportunity to hear a Survivor speak on his or her Holocaust experience at each session.

As an extension of the session, teachers may do a book review, a lesson plan on any of the subjects presented or attend a Yom Hashoah service.
